# DETECTION SEISMOLOGY

OCTOBER 6, 13:00  
OCTOBER 8, 12:00

GEOLOGICAL INSTITUTE  
AARHUS UNIVERSITET  
HØEGH GULDBERGS GADE 2  
8000 AARHUS C  
DENMARK

# 2010

## General information

When: October 6, 13:00 - October 8, 12:00

Where: Geologisk Institut, Aarhus Universitet,  
Høegh-Guldbergs Gade 2, 8000 Aarhus C, Denmark

Organized by: GEUS and Aarhus University

Travel to Aarhus: Travel time by train from Copenhagen is approximately 3.5 hours. You can also fly directly to Aarhus Airport. Please note that it is nearly impossible to park a car near the Geological Institute. For further travel information please consult:  
<http://www.au.dk/en/about/aarhus/travel/>

## Registration

Registration fee:  
DKK 450 payable to GEUS:  
Danske Bank  
Holmens Kanal 2 - 12  
1092 København K

Bank registration number: 0216  
Bank account number: 4069160522  
IBAN: DK3102164069160522  
SWIFT/BIC: DABADKKK  
  
GEUS' CVN number is: DK55145016

Please include the following text with your payment: Your name, Nordic Seminar, Att: Peter Voss

The registration includes coffee/tea/cake/fruit during the entire conference, lunch (sandwich) Thursday and a guided tour of "Den Gamle By" Thursday afternoon. The guided tour will be followed by a dinner sponsored by GEUS. Please inform us beforehand of special dietary requirements e.g. vegetarian.

Student registration: DKK 50 (BS and MS students only). The student registration does not include the social program in "Den Gamle By".

Accompanying persons: Accompanying persons wishing to take part in the social program are kindly requested to contact Peter Voss, [pv@geus.dk](mailto:pv@geus.dk).

## Deadlines

Monday September 20, 12:00. This is the deadline for abstract submission, payment of registration fee, and submission of data for the earthquake concert (see below). Please also let us know at this time if you expect to participate in the conference dinner Thursday evening. The pre-reservation of hotel rooms at a special price expires on September 21.

A larger version of this map can be found at the last page of this folder.

## Accommodation

Participants are requested to arrange their own accommodation. We have reserved rooms at three hotels in Aarhus: Best Western Ritz, Atlantic and Cabinn.

Pre-reserved rooms are held until September 21. Participants are strongly encouraged to reserve a room before this date. To reserve a room, please contact the hotel directly and mention the reservation code listed under each hotel.

### Best Western Ritz

Reservation code: 51260

<http://www.hotelritz.dk/da/kontakt-os>

15 rooms are pre-reserved for 6-8 October

Price for a single room is approximately DKK 895 per night

### Atlantic

Reservation code: 3011R056653

<http://www.choicehotels.no/hotels/hotel?hotel=DK011>

16 rooms are pre-reserved for 6-8 October

Price for a single room is approximately DKK 1053 per night

### Cabinn

Reservation code: 717780

<http://www.cabinn.com/hotel-i-aarhus/hotel-cabinn-aarhus.html?gclid=COS1oOaFsaICFVerDgod81I-KQ>

5 rooms are pre-reserved for 6-8 October

One room at a cost of DKK 485 per night, 4 rooms at a cost of 575 per night

## Special events

### Calibrate your BB seismometer

Jari Kortström and colleagues from the University of Helsinki will bring their Lennartz calibration table to the meeting. It is a step table, which is designed to calibrate only the gain of (broad band) seismometers. So it will not determine the frequency response. The frequency response, however, must be known before we can calculate anything with this table (nominal values are OK). So bring your BB sensor to the meeting!

### Earthquake "make a wish" concert

Bo Holm Jacobsen of Aarhus University has kindly agreed to demonstrate how he transforms seismograms into earthquake sounds. Participants are encouraged to place data from their favorite earthquake on an accessible ftp-server and send an e-mail to: bo@geo.au.dk. SAC format is strongly preferred. The earthquake concert will take place at the end of the Thursday afternoon session.

## Social programme

Thursday afternoon we will visit "Den Gamle By", [www.dengambleby.dk/int/english.htm](http://www.dengambleby.dk/int/english.htm), one of the main tourist attractions in Aarhus. It is a museum consisting of 75 historical houses, gardens, shops etc. We will get a guided tour that culminates with the conference dinner in one of the old buildings.

Aarhus has a lot to offer should you have some extra time before or after the conference. A list of museums can be found here:

<http://www.au.dk/en/about/aarhus/tourist/>. Especially the art museum ARoS, [www.aarhuskunstmuseum.dk](http://www.aarhuskunstmuseum.dk), is highly recommended. Sometime in the fall a gigantic glass rainbow will be mounted on the roof of the museum. We cannot guarantee that it will be in place by the time of our meeting, but there is a chance. The rainbow is designed by the Danish/Icelandic artist Olafur Eliasson.

Aarhus also has a large pedestrian street providing excellent shopping opportunities. You can read more about Aarhus here: <http://www.aarhus.com/>
